

Helpful Tips

- We mostly ground hunt. Tuck into the surroundings and limit your movement and sound. The terrain does not allow for noisy, clunky tree stands!
- Bring water and food in the field to survive the day. Use easy to open bags to limit sound and scent.
- Scent control is everything! Wash all garments, even base layers with Scent Killer detergent.
- Days leading up to hunt and during hunt, wash with scentless soap & shampoo, and use scentless deodorant.
- Before going in the field, use scent eliminating field spray.
- Bring extra gear to rotate if weather does not cooperate.
- Neck gators, hand muffs, and hand/toe warmers are a must. Anything to outlast the wind and cold weather.
- Quality hunting boots/rubber boots and socks are essential.
- Be alert and ready at all times. No Napping!
- Lastly, breathe, squeeze the trigger on exhale, and let it be a surprise. SHOOT STRAIGHT!

The NBK Way

1. The best camouflage is called, "Sit down and be quiet!"
2. Take only the gear in the field that allows you to hunt longer, harder, and more efficient.
3. Don't look for deer, look for movement.
4. Don't let the rain stop you. The perfect time is when the rain dissipates.
5. Sit all day and be patient. Stay put and reap the rewards.
6. Camouflage your appearance, your sound, and most importantly, your scent.
7. Be confident in your shot. Nothing is more expensive than regret.
8. You can't kill anything from the couch!
9. Hunt where you have seen deer, not where you think they are.
10. Next year's hunt begins the minute this season's hunt ends.

General Location

- Sullivan County, PA
- Off HWY 220 between the quiet and quiet towns of Laporte and Dushore, PA
- 3.5 hour drive from PHL

Worlds End State Park

About Us

With NBK, you will experience "REAL" hunting, and no substitute. Our hunting operation specializes in Whitetail Deer hunts in beautiful Sullivan County, PA. Owners Matt Zebley and CJ Zebley are both skilled hunters and outdoorsmen that have over 40 years combined experience hunting these locations, with unbelievable success! NBK was born in 2024 when a set of brothers from Delaware County, PA went 4 for 4 during a Maine black bear hunt.

Our Pledge

Think of this as a resurgence of "deer camp." We will not have the deer managed and fed, or tied to a tree, but we will put you in the best possible position to see and harvest deer. The final shot is up to you! Be prepared to hunt longer, harder, and with more authentic results than anyone else. We ensure consistent success by limiting the number of client hunters at our camp during the open season.

Licenses

All hunters must obtain a valid PA hunting license. Please visit huntfish.pa.gov to purchase licenses online as a resident or non-resident.

Please Follow These Recommendations When Purchasing a License:

1. Buy a Doe Permit - WMU 3B for Sullivan Co. (shooting a Doe is strongly encouraged). Permits go on sale for residents @ end of June, non-residents @ start of Aug.
2. Add Resident/Non-Resident Archery (you need this to hunt with bow or crossbow), and
3. Add Resident/Non-Resident Bear Tag (Bear and Deer seasons will overlap during our hunts).

See a Bear..Shoot It!..With a Tag of Course
We will field dress and transport to the nearest bear check station just up the road.

*Please give us a call if you need assistance with purchasing a PA hunting license.

Laws

- Bucks must have 3 pts on one side, and at least 1" in length (3 Up rule).
- Firearm deer hunters must wear fluorescent orange.
- Hunters under 16 must be accompanied by an adult.
- Please visit the online PA Hunting Digest for all laws and regulations. Or download the free Pennsylvania Game Commission mobile app.
